"Bracewell & Giuliani" LLP in RK, Law Firm which offers legal consulting services, established contractual relations with "Global Recruitment" recruitment agency in 2007.

As a result of granting services on personnel selection "Global Recruitment" has given to our organization candidates to fill in vacant lawyers' positions in the shortest possible times, which allowed us to give an employment in our firm to a qualified expert in the legal field.

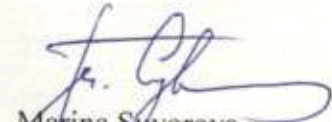

We can describe performance of the agency as excellent job for best prices and high quality of services rendered.

In our view, Global Recruitment deserves the title of an efficient and reliable partner in solution of personnel issues.
