To Whom It May Concern:

I am writing to express my pleasure with real estate agency Scot Holland / CBRichardEllis, who represented us in our recent lease of an A class residential apartment in Atyrau, Kazakhstan.

ScotHolland / CBRichardEllis guided me through the entire process from searching options to making the offer and closing the deal.

This is not our first lease of property through ScotHolland / CBRichardEllis, and always we had such a pleasurable experience with this company. Undoubtedly this is the company that creates and delivers real value for its clients, in a complex world that is changing constantly.

I would like to confirm my strong recommendation for ScotHolland / CBRichardEllis as one of the prime experts which professionally covers a wide range of services on real estate market.

Yours Sincerely,

Amir Muhammad
